(See also Attachment 8.)

V.

State whether the transportation system, if any, in the district is desegregated to the extent that Negro and white students are transported daily on the same buses.

Black and white students are transported daily on the same buses. The buses are integrated. Transportation routes are designed without regard to the race of the student.

VI.

State whether all facilities such as gymnasiums, auditoriums, and cafeterias are being operated on a desegregated basis.

All Franklin County School District facilities are completely integrated, including gymnasiums, auditoriums, and cafeterias.

VII.

Give brief description of any present or proposed construction or expansion of facilities.

The Franklin County School District has no present plans for construction or expansion of facilities.

VIII.

(a) State whether the school board has sold or abandoned any school facility, equipment, or supplies having a total of more than \$500.00 since this court's order of November 7, 1969.

The Franklin County School District has not sold or abandoned any school facility, totaling more than \$500.00 since this court's order of November 7, 1969. The Franklin County School District maintains a fixed asset system for equipment and supplies in compliance with Miss. Code Ann. § 37-37-1 and regulations of the Mississippi Department of Audit.

IX.

(a) State whether there is a bi-racial advisory committee to the school board in the school district.

The Franklin County School District has a bi-racial Title I Committee that serves the Franklin County School District and the Franklin County School Board. The Franklin County School Board is also bi-racial, consisting of three whites and two blacks.

(Also see Attachment 9.)

(b) If so, state whether the bi-racial advisory committee has submitted recommendations to the board of education.

The Franklin County School District Title I Committee meets annually and reviews federal program applications. School-wide plans are developed by each school with input from the Title I Committee and are submitted to the Franklin County School Board by the Federal Programs Director.

(Also see Attachment 9.)

(c) If so, state the number and disposition of such recommendations.

The Franklin County School District Title I Committee consists of the Federal Programs Director, School Administrators, Teachers, Assistants, Parents, and Community Leaders. Needs Assessments are conducted yearly to gain input for school-wide plans which are used in development of goals for each school year. Thereafter, all recommendations are acted on by the Franklin County Board of Education.

(Also see Attachment 9.)

(d) If a bi-racial committee is in existence, state briefly the areas of the education process in which the bi-racial committee is to function.

The Franklin County School District Title I Committee assists in the areas of the education process in student achievement, school finance, and public relations. Needs Assessments, conducted yearly, are the driving force for indications of weakness and strengths in student achievement. The Franklin County School District Title I monies are utilized to help address weaknesses for students of all races. In Franklin County, Mississippi, which is a sparsely populated, rural county, the Franklin County School

District Title I Committee also assists as a liaison between school and individuals of all races.

(Also see Attachment 9.)

Respectfully submitted,

FRANKLIN COUNTY SCHOOL DISTRICT
